ABOUT US

Since 1993, Asiamerica Group, Inc. has served the nutritional supplements, pharmaceutical, food, beverage, cosmetic, pet food, and personal care industries. As a global ingredients distributor, we are dedicated to providing our customers with the highest quality ingredients that support optimal health and wellness.

MISSION

We partner with leading manufacturers and suppliers around the world to source the finest raw materials, and we are committed to ensuring that our products meet the highest standards of purity and quality.

Our strong, long-term partnerships with our international suppliers enable us to deliver consistent, high-quality, competitively priced ingredients with exceptional customer service and product expertise.

OUR PHILOSOPHY

We are committed to upholding the following values in all aspects of our business:

QUALITY

We are committed to providing our customers with the highest quality natural ingredients that meet industry standards of purity and efficacy.

INTEGRITY

We conduct our business with the highest levels of integrity, honesty, and transparency, and we hold ourselves accountable for our actions and decisions.

CUSTOMER EMPHASIS

We prioritize the needs and satisfaction of our customers, and we are dedicated to providing them with exceptional service, support, and products.

COLLABORATION

We value collaboration and teamwork, and we work closely with our customers, suppliers, and partners to achieve our shared goals and objectives.

WHY US

We are a one stop shop for all your ingredient needs. Our significant global reach allows us to source over 700+ different raw materials.

RAPID QUOTES

- 1** By working with us, you can reduce your ingredient costs without sacrificing quality or consistency. We answer most price quote requests within the same business day.

SAMPLES UPON REQUEST

- 2** Quality, compliance, and safety come first. We only work with trusted suppliers who meet our rigorous standards. This means that you can trust the quality and consistency of our ingredients.

ON DEMAND PRODUCT AVAILABILITY

- 3** Most of our products are in stock and ready to ship for just in time delivery. As a registered importer with an expansive warehousing and distribution network across the US, we are proud to be your trusted supply-chain partner.

INVENTORY PLANNING

- 4** Sourcing ingredients from multiple suppliers can be time-consuming and complex. We collaborate with our customers to simplify their procurement process and to ensure their supply chain needs are always met.
